NATIONAL FOOTBALL CHEERLEADERS
ALUMNI ORGANIZATION

Welcome to the 7th National Football Cheerleaders Alumni Organization (NFCAO) Reunion, proudly hosted by the Miami Professional Football Cheerleaders Alumni Organization (MPFCAO).

This year, we are honored to welcome approximately **700** former NFL cheerleaders representing **26** past and present professional football teams from across the country.

Since our inaugural reunion hosted by the Washington Football Cheerleaders Alumni Association in 2012, the NFCAO has continued to grow and strengthen the bonds shared among professional football cheerleaders nationwide. We proudly celebrate the legacy of reunions hosted by the Atlanta Falcons Cheerleaders Alumni in 2014, the Buffalo Bills Cheerleaders Alumni in 2016, the Tennessee Titans Cheerleaders Alumni in 2018, the Jacksonville Jaguars Cheerleaders Alumni in 2022, and the New England Professional Cheerleaders Alumni Association in 2024. We are also excited to announce that the host city for the **2028** reunion will be revealed during Saturday evening's **Reunion Gala**.

Message from the
★ **PRESIDENT** ★

★ HALL OF FAME INDUCTIONS

One of the highlights of this year's Gala will be the induction of five exceptional alumni into the NFCAO Pro Football Cheerleaders Hall of Fame.

CHATO HENDRIX (ATLANTA FALCONS)

CHRIS POLITO (BUFFALO BILLS)

CHARLOTTE SIMONS (CINCINNATI BENGALS)

DONNA WINDSOR (JACKSONVILLE JAGUARS)

MARYLOU TAMMARO (PHILADELPHIA EAGLES)

These remarkable women have made lasting contributions to preserving and advancing the proud legacy of NFL cheerleaders through their dedication, leadership, and service. We look forward to continuing this tradition of recognition at future NFCAO reunions.

★ A heartfelt thank you goes to our Miami Chapter Reunion Committee — led by **Anna Noreiga, Lori Parrish, Cheryl Lubow, and Georgia Swick** — for their tremendous effort, dedication, and gracious hospitality in creating what promises to be an unforgettable reunion experience filled with cherished memories.

★ Finally, thank you to all our alumni, guests, and sponsors for your continued support of the NFCAO. Your enthusiasm, commitment, and friendship are the foundation of our organization's success and continued growth.

HISTORY OF THE *National Football* **CHEERLEADERS** **ALUMNI ORGANIZATION**

The National Football Cheerleaders Alumni Organization (NFCAO) was founded in 2009 with a vision to unite, connect, and empower football cheerleaders alumni from across the country.

Founded by **Terri Crane-Lamb** of the Washington Cheerleaders Alumni and **Mickey Crawford-Carnegie** of the Atlanta Falcons Cheerleaders Alumni, NFCAO was created to preserve the legacy of professional cheerleading while fostering lifelong friendships, leadership, and service.

What began as a shared dream between two passionate alumni has grown into a nationwide network of chapters representing former NFL cheerleaders from across the League. Through biannual reunions, community outreach, mentorship, and professional development, NFCAO continues to celebrate the impact cheerleaders have made both on and off the field after the poms.

★ OUR MISSION ★

Our mission is to enable former NFL cheerleaders to connect, continue to contribute to local and national charitable organizations, and support fellow alumni who are in need of personal charitable fundraising support.

Prior to joining NFL Alumni, Edwards spent the previous 20 plus years in collegiate sports administration, including the past 11 years as an NCAA Division One Athletic Director. Edwards also held the roles of Chief Athletics Officer at Jacksonville University and as Senior Vice President for Institutional Advancement and Intercollegiate Athletics at Newberry College.

He also served for 3 years as the Vice President of Recruiting and Training at IMI Resort Holdings, where he led the hiring and training of all sales executives and sales managers and where the company sold over \$550,000,000 worth of luxury resort real estate during his tenure. Overall, he has been directly involved in the development of over \$1.3 billion in revenue.

Edwards worked a substantial part of his NFL Career as a financial associate for the Equitable Companies and as a financial consultant for Merrill Lynch where he held series 7, 6, 63, and life and health insurance licenses.

ORGANIZATION, OUR CHEERLEADERS, ALUMNI,
AND THE INCREDIBLE FANS OF SOUTH FLORIDA,

WELCOME TO *Miami!*

Here in Miami, we are **especially proud of our alumni**. They helped build the foundation of the program we have today, setting the standard for excellence, professionalism, community service, and entertainment. Their passion and dedication continue to inspire each new generation of Miami Dolphins Cheerleaders, reminding us that wearing the uniform is about so much more than game day.

Today, our alumni continue to **make an impact** as leaders, entrepreneurs, educators, healthcare professionals, mothers, mentors, business owners and changemakers in their communities. They are a testament to the lasting influence of NFL cheerleading and the remarkable women who have represented this league over the years.

This weekend is a **celebration of all of you** – your stories, your careers, your friendships, and the shared bond that connects every NFL cheerleader, regardless of team or era. Thank you for paving the way for future generations and for continuing to represent the very best of our profession.

From our Miami Dolphins family to yours, *Bienvenidos a Miami*. We hope you reconnect with old friends, make new memories, soak up the South Florida sunshine, enjoy a *cafecito* and leave with full hearts!

Love and Cheers,

ENCORE
HOUSE OF CRYSTAL

THE CHEERLEADERS FLOWER IS *Superbowl!*

Hi! I'm Superbowl.

I'm not here by chance — just like you.
I exist because performance is built, not given.

You don't step onto the mat unprepared.
You repeat. You train. You hit every count.
No hesitation. No second chances.

Game day is earned.

That's how I was grown.

I'm Superbowl —

a perfectly round,
pure white chrysanthemum, grown
by Elite Flower.
Precise. Powerful. Built for performance.

Built for game day.

I show up where energy explodes:
competition days, press moments,
victory celebrations.

Because flowers don't sit on the sidelines.
We're part of the routine.
We show up, we elevate,
we perform.

Just like cheerleaders —focused, fearless,
synchronized.
We don't win alone. We move as one.
Every position matters. Every detail counts.

And I don't stand alone.
I'm part of something bigger — a full routine, a
complete moment, a team in motion.

**Superbowl isn't just a name.
It's how we show up.**

From the fields of Colombia to stages around the
world, we perform where pride,
power, and celebration come alive.
Because flowers don't just decorate the
moment.

We perform in it.
